In 2003 our membership increased to 74. We are a small but growing group. It is hoped that we will continue this growth.

Membership renewals for 2003-2004 are due by October 24 2003. New members joining any time up to October 24 will be financial until October 2004.

The fee of \$25 is tax deductible. A membership

form is enclosed.

Members can participate in the AGM and have input into the Association.

The Early Childhood area requires ongoing advocacy. In time, our Association should provide another strong forum where Early Childhood Educators can voice their concerns about programs for children and families.
