

## **QUT Alumni Singapore Chapter**

The **QUT Alumni Singapore Chapter** is a non-profit organization that are made up entirely of graduates from QUT and the intent of the chapter is to create a network of contacts within Singapore and probably foster other chapters within the Asian region as well. It also acts as a rendezvous for QUT graduates who are living in Singapore, to keep in touch with the happenings of their alma mattar.

The objects of the Alumni are:-

- (i) to establish and maintain means of communication, consultation and co-operation between graduates of the University living in Singapore and the University.
- (ii) to engender support for the University and its various undertakings from Members of the Alumni, including assistance with pre-departure information to prospective QUT students.
- (iii) to undertake professional development activities for Members in conjunction with the University
- (iv) to organize and supervise social activities for Members
- (v) to inform Members about the activities of the University

We organize events to help QUT Alumni (Singapore) members keep updated with seminars which are conducted by industry leaders, recognized QUT Alumni members or the staff of QUT. The intent of these events are to help graduates keep up with the leading edge of changes within the industry as well as self-development, thus keeping the post-academic degree valuable.

Fresh graduates from QUT can also enjoy our exclusive networking sessions. This is where members can get to meet these untapped talents, fresh out from their academic institution. This will facilitate with the opportunity for fresh graduates to land themselves with potential job offers, offered by their seniors. If this is not top of the agenda, it is still good fun to hang out with a crowd who can impart tacit knowledge of tactics to survive in the working world. This is where the birth of a mentor-mentee relationship could benefit the fresh graduates as seniors cultivate these gems into jewels.

QUT periodically sends their staff up to Singapore to advise members on how to write and "sell" themselves in a résumé. The staff will even go through the trouble of checking graduates' résumé, to ensure that they do not miss out critical information that might be vital for the interviewer.

We have all experienced the community spirit which has bind and drove us through our studies in Australia... and now that we are back in Singapore, we don't see why that should stop... as we step into a new and more permanent phase of our lives.

The Singapore Chapter has a team of committed volunteers who will deliver this promise of our mission statement. We cordially invite all QUT graduates living in Singapore to join us and bring the Spirit of Australia back to our homeland.

Our Membership Fee for the Singapore Chapter :-

- \$5 for a two year membership

AS we are a non profit organization, this membership fee is used in our operations of the alumni activities, and in providing us in subsidizing the cost of the networking events and activities for our members.

For more information or registration on membership, you can email to [clement.lee@sg.qutalumni.org](mailto:clement.lee@sg.qutalumni.org).
